Privatization in Ukraine in 2021

Discussion with the head of State Property Fund of Ukraine

Mr. Dmytro Sennychenko

Jan. 13, 2021 at 11:00 AM at Coliseum/UCCI

Invitation to watch the meeting online

End of December a bill aimed at comprehensively modernizing privatization legislation in Ukraine was passed in the Parliament (full name of the bill – “On Amendments to Certain Legislative Acts of Ukraine in the cases of Improvement of the State Policy of Management and Privatization of State and Municipal Property, as well as the Institutional Principles of activity of the State Property Fund of Ukraine”). Its purpose is to simplify and expedite privatization procedures, protect and encourage investment and restore investors’ trust in Ukraine and its state institutions.

ICBAC-members will discuss with Mr. Sennychenko the implications of such bill and of the privatization programme.
